Hizb Ayub Patel

+1 (437) 663-4262 | hizb.patel@torontomu.ca | LinkedIn | GitHub | Toronto, ON

Education

Toronto Metropolitan University — Toronto, ON

BSc, Computer Science – 4th Year — *Expected May 2027*

- Coursework: Data Structures & Algorithms, Databases, Discrete Structures, Statistics. TMU Top 50 Program Member

Experience

Co-Organizer, Partnerships & Programming — 2026

The Next Gen Collective – Toronto Tech Week — *Toronto, ON*

- Co-organized a featured Toronto Tech Week event for 100+ attendees, owning partnerships, programming, and registration
- Pitched sponsors in person, securing food and venue support that covered event costs at $0 out-of-pocket
- Built the slide deck and run-of-show, coordinating 6+ speakers to keep programming on schedule day-of

Growth & Tech Intern — 2026 – Present

Nodalli (AI Startup) — *Toronto, ON*

- Built a LinkedIn warm-intro Chrome extension surfacing 2nd-degree connections, cutting manual prospect research time by 70%
- Built the outbound appointment-setting pipeline end to end – job posts, cold call script, objection bank – and onboarded the first hire
- Produced 10+ short-form videos across TikTok, Instagram, and LinkedIn for top-of-funnel growth; one reached 1M+ views

Founder — 2025 – Present

ElavarEdge Marketing Agency — *Toronto, ON*

- Executed 500+ cold calls to GTA local businesses, improving conversion 30% via iterative script and objection-handling refinement
- Delivered web and GoHighLevel automation builds, including missed-call SMS textback systems that recover inbound leads
- Own the full sales cycle – prospecting, discovery, proposal, delivery – across 4 local service verticals

Tech Sales Associate — Jun 2024 – Aug 2024

TheLuckyElf Inc. — *Toronto, ON*

- Ran 20+ structured client conversations weekly, translating technical detail for non-technical buyers
- Maintained 100% CRM logging of interactions and follow-ups, keeping the pipeline accurate for handoff

Projects

Open Path Nonprofit Website | *React, TypeScript, Tailwind, Framer Motion* — 2026

- Shipped a full client website through Advance Ontario/Riipen: a 60-hour, $1.4k engagement delivered on schedule across all milestones
- Implemented a bilingual structure and signup pipeline routing prospective international student inquiries

UGC Content Portfolio | *Short-form video, TikTok / Instagram / LinkedIn* — 2025 – Present

- Signed 4 paid brand partnerships, shipping 14+ videos in one campaign cycle and hitting every client deadline
- Grew organic reach to 1M+ views on a single video by testing hooks and formats against performance data
